

TRUE WATERPROOFING POWER

TERMINATOR “ALL-WEATHER” ROOF SEALANTS

Exclusively from American WeatherStar, Terminator Roof Sealants are the premier roof maintenance and repair products in the industry. Terminator 622 (brush-grade) and 624XT (vertical-grade) are 100% solids, moisture-cure sealants specifically developed to perform even on the most extreme roofing environments.

- Stops leaks instantly
- Extreme adhesion—even to silicone-coated surfaces
- Applies and cures to wet or underwater surfaces
- 100% solids siliconized-urethane formulation
- Low VOC and environmentally safe
